

# INTELLIGENT WZM (WIRELESS ZONE MONITOR) 24 VDC

## Product datasheet

### Key features

- Fully wireless
- Quick and easy to install
- Compact enclosure
- Universal connection to conventional and addressable fire control panels
- 80 character LCD display
- 230 VAC version also available

### Technical data

-  -5 to +45 °C (operating)  
0 to +30 °C (storage)
-  19.2 to 28.8 VDC
-  0.030 A (quiescent)  
0.042 A (alarm)
-  IP30. Type A: Indoor use only

-  868 MHz
-  14 dBm / 25 mW
-  X5 (signalling protocol)
-  275 x 220 x 80 mm  
(W x H x D)
-  1.45 kg
